

We would like to take this opportunity to thank you for all your support and positive feedback. This spring we continue to run all our extremely popular courses on a range of EAL issues.

Feedback from school SENCOs suggests that the strategies outlined on our HLS courses are aimed at

inclusion and helping class teachers to support all children in the mainstream. The focus on developing language in our courses also supports SEN pupils who have communication and interaction difficulties.

We are very pleased to offer our HLS Certificate Course and we look forward to working with you again this term.
