

# Unlock the Power of Data-Driven School Improvement with EvaluateMySchool

## Maximize Your DBV SEND Funding to Drive Real Change

Local authorities participating in the Delivering Better Value (DBV) in SEND programme face the challenge of improving SEND outcomes while ensuring financial sustainability.

EvaluateMySchool is the all-in-one school improvement platform that empowers local authorities to maximize the impact of their DBV funding, enhance SEND provision, and drive sustainable improvement across schools.

### With EMS local authorities can:

- Identify Areas for Improvement – pinpoint strengths, gaps, and opportunities across SEND provision.
- Monitor Progress – Track and evaluate the impact of DBV-funded initiatives with intuitive dashboards and analytics.
- Collaborate Seamlessly – Enable schools, SEND teams, and trusts to work together.
- Improve Outcomes for SEND Pupils – Leverage evidence-based strategies to enhance inclusion and student achievement.

Join leading Local Authorities like Windsor & Maidenhead, who are using EMS through DBV funding.
