

Driving Excellence in Inclusion

At EvaluateMySchool, we understand that true inclusion is about seeing the full picture. Our self-evaluation tools across SEND, Disadvantaged Strategy, Specialist Provision, and EAL provide a complete inclusion package, designed to drive meaningful improvement.

With EvaluateMySchool, you're not just completing a checklist — you're embedding a culture of continuous improvement, empowering teams to create sustainable impact for every learner.

- ✓ **Improve**

Expert Guidance

Written in collaboration with national experts, our evaluations ensure you ask the right questions, allowing you to make informed strategic decisions to improve your provision.

SEND: written by David Bartram OBE

Assess the effectiveness of SEND strategies, ensuring learners receive the support they need to thrive.

Disadvantaged Strategy: written by Peter Gale

Pinpoint barriers to learning and develop targeted approaches to close achievement gaps.

Specialist Provision: written by Natalie Packer

Evaluate the quality and accessibility of specialist provisions, ensuring inclusive environments for all learners.

EAL: Written by Rehana Ahmed, Hounslow Language Service

Understand the effectiveness of EAL interventions, supporting multilingual learners in reaching their full potential.

EMS Unlimited gives you access to all of these evaluations and more! Our easy to use platform also allows you to create your own bespoke evaluations for your school, Trust or local authority.
